

POLICE DEPARTMENT
CITY OF BURLINGTON

Monday, November 4, 2024

Mayor Emma Mulvaney-Stanak
City Hall, Burlington, VT

Madame Mayor,

I will not seek reappointment as Chief of Police for the City of Burlington in 2025. Since June 12, 2020, it has been my great honor to be the Chief of Police. The people of the Burlington Police Department are some of the best coworkers I have ever had, and serving the citizens of the city in which I was born has been one of the greatest privileges of my life.

It's my desire to help facilitate a smooth, safe, and orderly transition and ensure continuity of command. Accordingly, I hope to continue to serve, but I have set a date certain on or before which I will depart, which is Monday, April 7, 2025. During that time, I intend to fulfill my obligations as described in the Charter, specifically the direction and control of the police force, and I will do so in a competent, efficient, and capable way.

I thank you, the City Council, Mayor Weinberger, and all the people of Burlington for your trust in me during my six years with the Burlington Police Department. I love this city more than ever for having served her.

Respectfully,

Jon Murad
Chief of Police
