Kaiser Elementary School Parents and Guardians,

Today the school received information on the attempted abduction of a female student who was walking to school this morning. An older white male in a white utility van offered the student candy if she entered his vehicle.

The student ran to school to inform school staff of the incident and is safe. District officials are working with the police department and wanted to make you aware of the situation. If you see anything suspicious in your neighborhood or around the school, please call the police.

We would also ask that you please take time to remind your child not to talk to strangers and to seek help immediately from a trusted adult if approached by anyone suspicious.

We appreciate your support of Kaiser Elementary School and please feel free to contact the school if you have any questions.

Sincerely,

Lana Lewis

Principal
