Dear Trotter Bus HS348 Families,

This afternoon, a parent was allegedly involved in a physical altercation with the bus driver on school bus HS348.

School staff were immediately notified, along with the Boston Public Schools Department of Transportation. Boston Police, a BPS Transportation Road Safety Supervisor, and emergency personnel were also notified and responded to the bus to provide assistance. Families of the students onboard the bus at the time were immediately notified and picked up their students from the bus. Boston Police will investigate this incident, and disciplinary action from law enforcement is also possible.

The Trotter School, alongside the entire Boston Public Schools, has no higher priority than providing a safe, affirming learning environment for our students to thrive. Our buses are considered an extension of the classroom.

Please do not hesitate to contact me at 617-635-8225 or the BPS Department of Transportation at 617-635-9520 if you have any questions or concerns.

Sincerely,

Sarita Thomas
Principal
