POLICING IN PARTNERSHIP: SMALL EFFORTS, LARGE IMPACTS

Secure your vehicles, houses, and firearms.

There were no signs of force in 70% of Theft from Vehicle reports, 49% of Burglary reports, and for 63% of firearms stolen from/with a vehicle. It's like securing food at campsites; if everyone does it, bears are less likely to visit the campgrounds.

Plan Ahead.

Smart911 allows you to share the information you want first responders to know, such as medical conditions or emergency contact phone numbers, in an emergency. When you sign up for Smart911, first responders will be aware of important information you have provided that will help Police, Fire, and EMS locate and help you in an emergency.

POLICING IN PARTNERSHIP: GETTING INVOLVED

Have you ever wanted to see inside the SPD?

Register for the SPD Spring Citizens Academy! Applications are available online or at the PD. The next class will be held March 24th – May 26th.

Help identify leads for law enforcement that assists in exposing sex trafficking.

Visit https://www.project1591.us/ to learn about Project 1591 which uses tech-savvy volunteers online to look for victims of sex trafficking.

Looking for data?

This year, we'll be publishing incident report data online. There will be a summary for general review and a record list for independent analysis and visualization.
