Protect your refund.
Protect yourself.

The Alabama eID is a free and secure mobile app that prevents a fraudulent state tax return from being processed in your name.

How it works

Using facial recognition technology, the Alabama eID verifies your identity by matching your face against the picture used to make your driver's license or state-issued ID.
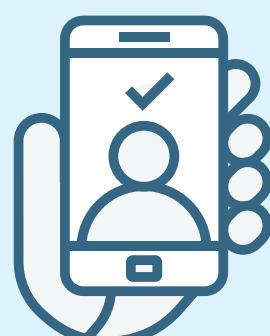

With the Alabama eID, there are no usernames or passwords to remember, and only you can authorize the Department of Revenue to process your state income tax refund.
