## Statement

From: Jack Griffith (rodeo6960@aol.com)

To: misskcoelho@yahoo.com

Date: Monday, August 12, 2024 at 08:10 PM PDT

On the day in question we had a road side protest at the Central st site just north of west Main Street in rural Turlock where two SVPs were going to be released from a state hospital to the community. I did not have prior contact with the Senate district 4's office in regards to the release of the SVPs. During the protest at around 11:40 am Marie Alvarado-Gil showed up on-site with two staffers one of which was Vanessa Bravo, the senators media director. As soon as she gets out of the car I hugged the senator and added greetings and introduced her to the investigator on the case and parents that rallied the troops for a parents meeting at Chatom Elementary the night prior to the site protest. On the site visit Marie had conversations with myself and Kelley Coelho, George retana about the site visit and situation with the SVPs, during this conversation Marie made a joke to Vanessa Bravo about me running against her in the last election for State Senate and that I was going to run again, there was nothing but smiles and compliments during this interaction. The Senator ask me if I was going to be at her press conference being held at the Turlock police departments media room, I told her that I would see her there and Marie and her staff got in their car and left. When I arrived at the Turlock police department I had saw some of the parents from our area in the parking lot and front entrance to the media room, after greeting some of them I was approached by a member of our team of parents telling me that Miss Coelho was already inside the media room. I proceeded to the door of the media room the cadet at the door asked me my credentials which I verbally started to tell her that I was a member of the behavioral health board of Stanislaus County when the door was opened from the inside from a member of media and I made contact with Miss Coelho, George rentana, Candice Gonzales, and I talked to a few others while all our elected officials were still discussing matters in a different room. I sat down against the wall in chairs provided for the event, Vanessa Bravo comes out of a rear area and calls a sheriff's officer over to her, after that conversation the Sheriffs Officer who happen to be the Chief in Waterford asked me if he can talk to me for a minute, I told him no problem and he whisks me away outside and asks me if I have credentials to be in the room, I tell him I do and that I can have that verified. He then asked who kelley was and then proceeded back inside to retrieve Miss Coelho and bring her outside and asked for her credentials, when she informed the Chief her credentials were inside her purse that was now inside the building unattended and then showed him an email from the senators office confirming her to be an attendee he told us that he would be right back to not return until after the room was being cleared. During the press conference I left the property for concerns I was being labeled a threat and wanted to reduce any ideas of proceeding problems so that the parents that showed up could speak to their representatives without worry of my presence.
