State Representative Tim Baxter released the following statement:

"My campaign for Congress in New Hampshire's First District is about one thing: sending a conservative fighter to DC. It's an honor to earn an endorsement from 32 of the finest members of the New Hampshire state house. This team of legislators has deep ties to their communities and are rooted in strong conservative principles."

Rep. Melissa Blasek added, *"I've fought alongside Rep. Tim Baxter in the state house and have known him to be a bold, unwavering voice for his constituents. From banning vaccine passports, standing for our second amendment, and maneuvering tax cuts, Tim has proven himself as a conservative fighter for New Hampshire."*
