About Champlain Valley Physicians Hospital

The University of Vermont Health Network - Champlain Valley Physicians Hospital (CVPH) is a private, not-for profit hospital in Plattsburgh, NY. Established in 1967 with the merger of Champlain Valley and Physicians Hospitals, CVPH joined Fletcher Allen Partners in 2012, which in 2014 became The University of Vermont Health Network. Together with its partner hospitals, the UVM Medical Group and a home health agency, CVPH provides high quality, cost effective care, close to home. Services include an award winning cardiac services program, accredited cancer center, freestanding ambulatory surgery center, comprehensive rehabilitation services and a 24 hour physician-staffed Emergency Department. Governed by a 15-member Board of Directors, CVPH is accredited by the Joint Commission and licensed by New York State and Medicare/Medicaid Approved. Learn more at UVMHealth.org/CVPH or follow us on Facebook, Twitter, LinkedIn and YouTube.

About The University of Vermont Health Network

The University of Vermont Health Network is an integrated system serving the residents of Vermont and northern New York with a shared mission: working together, we improve people's lives. The partners are:

- [The University of Vermont Medical Center](#)
