## **Bolduc Campaign Announces Start of Veterans Coalition** *Veterans for Bolduc Key to Victory in 2020*

**Manchester, NH** - Today the Bolduc Campaign for US Senate released the following list of endorsements by New Hampshire veterans.

“I am truly honored and humbled to have the support of these fine men and women who have served their country. For far too long, New Hampshire veterans have been on the wrong end of broken promises by politicians who only seem to care about them when an election draws near. They deserve better, and with the help of these people, that’s exactly what I’ll deliver.” **Don Bolduc**

“I am truly excited that Brig. Gen. Don Bolduc is a candidate for the US Senate seat currently occupied by Jeanne Shaheen. This is an opportunity for New Hampshire to have a real hero representing the state and all of its veterans in Washington. General Bolduc has proven his bravery and love for his country while on active duty leading our troops in combat where he earned two Purple Heart medals for injuries, as well as multiple Bronze Star medals with “V” devices for heroism. Perhaps more importantly, he is the first officer of his rank to come out in support of our Veterans who suffer from PTS by acknowledging that he suffers from it and speaks about his road to recovery in public. He has helped countless veterans as a result. Don Bolduc is a leader we can all be proud of, and I would encourage every NH Veteran and their families to support him for election to the Senate.” **Paul Chevalier, Sgt. Maj. USMC (Ret)**
