Allison -

I am closing out the Ricardo Arroyo investigation. Anne and I called the victim on January 20, 2006 to inform her that based on the assessment of the information we had, there was no crime committed. V said [REDACTED]. We told V we'd be happy to meet with her in person to discuss the decision. V was supposed to call back the following week to schedule the meeting, but she never did (surprise, surprise). I left V a message on her cell number on February 1, 2006. When I again didn't hear back from her, I sent her a letter on February 7, 2006. I haven't heard from her at all in response to the phone message or the letter.

As to the threats, I don't have enough info on that as to who the suspect would be. And even if I did, threat charges would be kept in the District Court. I don't expect I'll be hearing from V.
