Dear Greensburg Salem Families:

On Friday, October 27, 2023, the Greensburg Salem administration was made aware of an incident in a classroom in one of our elementary schools. The incident was immediately reported through ChildLine. The administration has been in close contact with the City of Greensburg Police Department, the Westmoreland County Children's Bureau, and the Westmoreland County District Attorney's Office, who are thoroughly investigating any allegations. All adults involved in the investigation have been removed from the classroom and are not working with children. The administration has made the parents/guardians of any child in the classroom setting aware of the investigation, and we will continue to keep them informed as much as possible. We are committed to ensuring the safety of all students in our care and remain focused on our mission of educating every child to become contributing and responsible citizens.
