

Family Fun Crawfish Boil to support Florida Cancer Specialists Foundation

TAMPA (March 25) – It is going to be a doctor-dunking, crawfish-eating good time at Florida Cancer Specialists on Saturday. Join the FCS oncologists, executives and tremendous support staff at a Crawfish Boil and family fun afternoon complete with a dunk tank, a bounce house, face painting and a Cajun band.

There will be good food and good entertainment with raffles including a chance to win a cruise for two to the Caribbean. The fundraiser will benefit the Florida Cancer Specialists Foundation, which helps cancer patients with non-medical expenses who need assistance during treatment.

Ten Florida Cancer Specialists physicians and executives will be on hand to get dropped in the dunk tank including oncologists from the Tampa Cancer Center on West Martin Luther King Jr. Boulevard. The event is Saturday, March 25 from 2 p.m. to 6 p.m. The all-inclusive prices of \$50 for adults and \$15 for children cover food (including crawfish, corn on the cob, potatoes, sausages, hot dogs and hamburgers), drinks (including beer, wine and soda) and entertainment.

Four doctors from the FCS Tampa Cancer Center, four senior executives and even a Tampa Bay Lightning senior executive are on the calendar for a turn on the dunk tank where attendees will have an opportunity to drop them in the water.

Florida Cancer Specialists Tampa Cancer Center is at 3402 Dr. Martin Luther King Jr. Blvd. W., Tampa, Fla., 33607.

About Florida Cancer Specialists Foundation: (foundation.flcancer.com)

Florida Cancer Specialists Foundation was created to help qualified patients who need financial assistance while undergoing treatment for cancer. The Foundation's AVAIL Fund allows those fighting cancer to concentrate on recovery, rather than worrying about bills such as rent, mortgage, utilities or car payments. The Foundation overhead is paid for by the physicians of Florida Cancer Specialists, so 100 percent of the money raised goes to help those fighting cancer. The Foundation office is located at 5204 Paylor Lane in Sarasota, Florida. You can learn more about the FCS Foundation at Foundation.FLCancer.com or by calling 941.677.7181.

About Florida Cancer Specialists & Research Institute: (FLCancer.com)

Founded in 1984, [Florida Cancer Specialists & Research Institute \(FCS\)](http://Florida Cancer Specialists & Research Institute (FCS)) is the largest independent medical oncology/hematology practice in the United States. With more than 200 physicians and over 100 locations in our network, we are committed to providing world-class cancer care in community-based settings close to home.

Recognized by the [American Society of Clinical Oncology \(ASCO\)](#) with a national Clinical Trials Participation Award, FCS offers patients access to more clinical trials than any private oncology practice in Florida. In 2016, 84% of new cancer drugs approved for use in the U.S. were studied in clinical trials conducted with FCS participation. Our physicians are consistently ranked nationally as [Top Doctors by U.S. News & World Report](#). Trained in such prestigious medical schools and research institutes as Duke, Stanford, Harvard, Emory, M.D. Anderson, and Memorial Sloan-Kettering, the physicians of Florida Cancer Specialists provide leadership and consultation in the state's leading hospitals.

FCS serves patients on the Gulf Coast from Naples to the greater Tampa Bay area, north as far as Tallahassee, in Orlando and surrounding Central Florida communities, and on the East Coast in Daytona/Palm Coast, Vero Beach/Sebastian and in Palm Beach County.

Florida Cancer Specialists has built a national reputation for excellence that is reflected in exceptional and compassionate patient care, driven by innovative clinical research and cutting-edge technologies that help advance targeted treatments and genetically-based immunotherapies, and embodied by our outstanding team of highly-trained and dedicated physicians, clinicians and staff.
