Jeffrey,

Firstly, let me thank you for hosting an incredible visit to a magical place. It really is almost unbelievable.

Nadia's assessment is both articulate and encouraging. I look forward to following up with her.

I greatly appreciate your offer to help the Boston victims but we can't deliver iBOTs this way. I would like to talk to you about how to more generally solve the iBOT problem if you are interested and have the time.

Thanks again,

Dean

if you think it makes sense I will give you the money (anonymous donor) in order to give the guy who had his legs blown off one of your wheelchairs.

I hope nadia's explanation of the flying school helped.
