Important Notice Regarding Prostitution

June 29, 2017

Dear Owner,

The Milwaukee Police Department is currently involved in an extensive operation to abate the prostitution problem in Milwaukee Police District 2. There are 3 areas that have become main thoroughfares for the prostitution trade in the District. As part of the operation, the Milwaukee Police Dept. has been conducting surveillance, for the past several months, in the areas of Greenfield Ave., Orchard St. and National Ave.

In addition to police surveillance, a significant aspect of this operation includes citizen and business owner information about prostitution activities that they observe. The cooperation of those citizens, such as yourself, who frequent the area and who are familiar with the neighborhood is paramount to the operation's success.

The Milwaukee Police Dept. would be interested in any information that you have regarding prostitution or any other illegal activities in our focus area. If you have any information that would assist the Milwaukee Police Dept.'s efforts to abate prostitution in these areas, please contact the Dist. 2 Community Prosecution Unit at 935-7763.

Cordially,

Robert G. Donovan
