Dear American Patriot,

If you like Lt. Col. Allen West, you're going to love me!

You see, I too am a rock-ribbed conservative Republican the Democrat party fears because I am my own man!

- ✓ ...I'm pro-2nd Amendment and pro-life...
- ✓ ...I'm a proud military veteran...
- ✓ ...I'm pro-limited government and pro-Constitution...
- ✓ ...I'm pro-tax cuts and pro-regulatory reform to help
President Trump Make America Great Again!

I believe every hardworking American should reap the benefits of the fruits of their labor, not continually watch their tax dollars flushed down the drain by an irresponsible, bloated federal government!

As a Navy veteran, I applaud President Trump's aggressive annihilation of ISIS and its caliphate in the Middle East.

Radical Islamists know that under Trump, AMERICA IS BACK!

My friend, my name is Eddie Edwards and I'm running for Congress in the pro-Trump, open-seat, 1st Congressional District of New Hampshire.

I'll tell you more about my race in just a minute...

(Over, please)
