

by passing legislation that embraces freedom and individual responsibility, not takes it away.

★ For decades, career Democrat politicians like Nancy Pelosi and her left-wing allies in the media have perpetuated the myth that all blacks are liberal Democrats.

Predictably, this is one of the biggest lies ever told!

Immediately after reconstruction, every black serving in Congress was a Republican and grateful to President Lincoln!

Today, we have three black Republicans in Congress -- Mia Love (UT), Will Hurd (TX), and Time Scott (SC) -- and they are all strong conservatives on every single issue.

There would have been FOUR Republicans had Nancy Pelosi and her liberal Democrat allies not ran the most racist ads ever against Lt. Col. Allen West in 2014 to defeat him.

Their ads literally showed Lt. Col. Allen West in a boxing ring with a shiny tooth punching two white women in the face! It was disgusting. Yet the liberal media let the Democrats totally get away with it. Then, they applauded his defeat!

My friend, I'm running for Congress because God calls each and every one of us to do great things...

...And the single, greatest thing I can do today is to fight to restore the Constitution for my two daughters and future generations of American patriots.

That's why I'm asking conservatives across America to join me in making a stand for our nation's traditional values and for our Republican Party that embraces freedom and a limited federal government.

With the incumbent Democrat retiring, this race here in New Hampshire is our chance to turn the tide for our country.

President Donald Trump has done the right thing on taxes, on national defense, and killing terrorists all over the globe.

Yet, Nancy Pelosi and the liberal media refuse help in any way! Instead, they continue to shame, attack, and lie about the Republican Party, our pro-taxpayer conservative agenda, and what it means to be a free and secure American!

Trust me, I know that my unique voice will resonate with the voters and that my candidacy is a threat to Nancy Pelosi.

(Over, please)
