

It's time President Trump got some more help by electing new Republican leaders! And, while we are doing that, let's help advance our cause even further by electing strong veteran minority conservatives like me!!!

But given the incredibly high stakes and the scorched-earth tactics they've used against folks like me in the past, in order to win I literally need to be ready for anything.

⇒ That's why I'm asking you to help me fight back by rushing back your most generous gift of \$2,700, \$1,000, \$500, or \$250 right away. ⇐

Or if \$100, \$50, or \$35 is the most you can do, your gift of any amount will let me know that I'm not standing alone.

Be it \$35, \$50, \$100, \$250, \$500, \$1,000, or \$2,700, I truly need ever dollar to run full speed ahead and win.

My friend, the Democrats already have their hands full with black leaders like Congresswoman Mia Love and Lt. Col. Allen West who aren't afraid to use their powerful positions to speak out.

The very last thing they want to see is me become yet another thorn in their side by winning a seat in Congress and going on national TV to promote our limited-government agenda.

Please, don't let Nancy Pelosi pull an "Allen West" on me in this critically important pick-up opportunity for the GOP.

Please help me make a better life for your family and every American by sending in your best gift of \$2,700, \$1,000, \$500, \$250, \$100, \$50, or \$35 today. Thank you!

Sincerely,

Eddie Edwards, Police Chief (ret.)
Republican for Congress (R-NH)

P.S. As a Navy veteran, retired Police Chief, and black Republican who thinks for himself as a rock-ribbed conservative, my victory would make me the liberal Democrats' worst nightmare!

To help me join black Republicans Mia Love, Tim Scott, and Will Hurd in fighting for FREEDOM in Washington, please rush back your most generous gift of \$2,700, \$1,000, \$500, \$250, \$100, \$50, or even \$35 right away. Thank you!
