

The *Deep Creek Civic Association (DCCA)* on behalf of the residents of Deep Creek would like to express our deeply heartfelt condolences on the heartbreaking loss of Charlotte County Sheriff's Office *Corporal Elio Diaz*. We extend our prayers and sympathy to his wife, children, and loved ones, as well as his CCSO family on this tragic loss of life.

Let's join together to help us raise funds for *Corporal Diaz'* family. This is an especially difficult time for them when it should be the most joyful time of year. Help us celebrate his life and law enforcement service by giving what you can to so we may lend some financial support to his family.

We will be placing donation boxes throughout our Deep Creek community and collecting donations and cards to present to his family in their time of need.
