BUDGET MESSAGE

A. Purpose and Introduction

The purpose of this budget message is to share the foremost features of the City's operations as they relate to the City of Randleman's budget. The Fiscal Year 2025-2026 (FY 2026) recommended budget for the City of Randleman is hereby presented for your consideration. This budget is balanced in accordance with related respective North Carolina General Statutes and attempts to address the Board's priorities, departmental requests, and citizen concerns for FY2025-2026. A notice of submission of this budget to the Board of Aldermen will be published in accordance with N.C.G.S. §159.

8. Budget Process

The City of Randleman adopts the annual budget by ordinance in accordance with North Carolina General Statutes, which require that estimated revenues and appropriated fund balances be equal to appropriations. The budget is developed on a cash basis, including only expenditures and revenues expected to be realized during the fiscal year. The budget is adopted, however, on a modified accrual basis with sufficient appropriations for encumbrances (outstanding purchase orders and contracts as of June 30) carried over into the new year. All operating funds reasonably expected to be received are included in the Budget Ordinance and are expended in accordance with the adopted ordinance. State statute also sets the fiscal year as beginning July 1 and ending June 30. Therefore, the Board of Aldermen must adopt a budget before July 1 of each year. Developed on a program basis, the budget depicts all services provided by the City and resources allocated for the provision of these services. Organizational strategic priorities are developed by Board of Aldermen and City Directors and are used as major guidelines in the development of funding recommendations. The Board of Aldermen reviews and updates strategic priorities and establishes specific outcomes as part of their annual budget retreat. The City Administration provides regular updates throughout the year on progress toward strategic priorities.

C. Budget Overview:

The total budget for the FY 2025-2026, inclusive of the General Fund and Water and Sewer Fund, is presented at a combined total of \$12,595,906 and an overall decrease of (\$5,421,504) over the previous year. The General Fund is presented at \$9,735,860, an increase of \$518,933 and the Water and Sewer Fund is presented at \$2,860,046 which is a decrease of (\$5,940,437) from the current budget year. A detailed line-item budget can be found in Appendix A. Table 1 summarizes this information below:

TAB FY 2024-2025 BUDGET	LE 1: CITY OF RAN AND FY 2025-202		BUDGET
Funds	FY 2024-2025	Recommended FY 2025-2026	Increase or (Decrease)
General Fund	\$9,216,927	\$ 9,735,860	\$518,933
Water/Sewer Fund	\$8,800,483	\$2,860,046	(\$5,940,437)
TOTAL	\$ 18,017,410	\$ 12,595,906	(\$5,421,504)

D. Revenue Sources:

This budget recommends no property tax rate increase and funding that will allow departments to maintain current levels of service for citizens and customers. Per FY 2024 Budget Approval, City of Randleman Board of Aldermen approved a 4% water/sewer rate increase for FY 2024 and for the next 4 fiscal years. In FY 2024-2025, the Board of Aldermen voted to increase the water/sewer rate by 10%. For FY 2025 City of Randleman Board of Aldermen will increase 4% water / sewer rates.

The Division of Water Infrastructure-Act Directed Project allocated to North Carolina \$2 billion for water and sewer upgrades. The City of Randleman was granted \$5.1 million from S.L. 2023-134. Per NCDEQ, there is no expiration date to submit for disbursement of funds.

With the uncertainty of how inflation will affect the Nation's economy and the City's revenues, the recommended budget is presented with careful considerations to volatile revenues such as sales tax and franchise taxes.

E. Property Taxes:

The City's current property value is \$627,256,120, an increase of \$17,732,485 from FY 2024-2025. The current property tax rate is sixty-three (\$0.63) cents per one hundred dollars (\$100) of valuation. It is recommended that the City maintain the current tax rate of sixty-three cents (\$0.63) per one hundred dollars (\$100) of valuation for FY 2025-2026. Randolph County is estimating a 99.2% revenue collection rate. This budget seeks to estimate revenues conservatively.

F. Personnel Expenses:

This budget recommends a 3% COLA increase for all full-time employees.

NCLM Health Insurance Pool will dissolve as of June 30, 2025. However, the Finance Director/HR Specialist met with HILB Group regarding the Employee Health Insurance Benefit Package and have presented the Board of Aldermen with a new Health, Dental and Vision Package compatible with the previous benefit package.

- Blue Cross Blue Shield
- Equitable Dental and Vision

H. FY 2025-2026 Outlook:

The City of Randleman remains committed to aligning the use of public resources with the most critical needs of the community. Considering current inflation rates and labor market pressures, the cost of maintaining existing city services is increasing. Over the past few years, the city has been committed to optimizing the use of funds and reassessing needs annually. Despite the rising costs for FY 2025, the city is reallocating existing resources to provide core city services to the community along with several service enhancements that are directly targeted to advancing Council's key initiatives.

This budget is balanced with a tax rate of .63 cents. This is the same total property tax rate as the current year. This budget makes plans and projections for the near future in a prudent, visionary, and pragmatic manner to accommodate growth in an equitable manner while investing in our most valuable resource: our 80+ employees. The recommended FY 25-26 budget reflects an increase that positions the city to meet the expectations precipitated by recent and anticipated growth. Much of the growth in the budget represents an effort to invest in critical areas such as staffing, infrastructure, growing fund balances, sufficient facility maintenance, and delivery of services at the high levels expected from residents, visitors, and customers.

I. Recognition:

This budget recognizes that the City of Randleman provides a Senior Adult center located in the Randleman Community Center. This is for the use of all seniors in the Randleman area.

J. Conclusion:

The FY 2025-2026 Budget aligns the allocation of resources with the advancement of Council's priorities. Key principles guiding budget development are:

- Maintaining a well-managed government that is financially sound, focused on equity, and engaged in safeguarding the environment.
- · investing in our employees, and
- Investing in our community and residents.

This budget continues to progress towards The Board of Aldermen's, City of Randleman's and Directors' desire to progressively move forward with the foreseen rapidly approaching growth. With this budget, the City of Randleman positions itself as an economically competitive employer of choice, driven by a desire to deliver services to our community in an equitable manner and with the capability to meet present and future challenges.

We are grateful to the Mayor and Board of Aldermen for the opportunity to serve our wonderful community. We thank each of the City's Directors for their assistance in compiling the information needed to develop the FY 2025-2026 Budget. We would also like to give our thanks and appreciation to all our City of Randleman staff for their hard work and dedication to the jobs they accomplish each day to make our city an excellent place to work, live, and visit.

Respectfully Submitted,

Elizabeth H. Sechriest, Finance Director/HR Specialist
