Dear Hamilton School District Families,

This email is to inform you of what happened today within our District boundaries. The Waukesha County Sheriff's Department put four of our school buildings on lockdown shortly before 3:00 p.m. This was in response to a law enforcement situation happening off of school property. All students and staff are safe.

Hamilton High School, Templeton Middle School, Silver Spring Intermediate School and Woodside Elementary School were placed on lockdown. Several Dairyland bus routes were temporarily held in place as well.

We regularly practice safety drills so our students and staff are prepared for this type of unexpected situation. I am grateful for the quick response from our staff and for the cooperation of our students that enabled us to follow safety protocols.

As always, the safety and well being of our students and staff remains our top priority.

Sincerely,

Paul Mielke, Ph.D.
Superintendent
