

Golf Tournament Sponsor Form

Thank you for your interest in helping sponsor our Keegan's Way Golf Tournament. All proceeds go towards the Keegan Johnson Memorial Scholarship Fund, which will be used to grant scholarships to 2 deserving students – one from Chapman High School and one from Dorman High School - in 2021 when Keegan would have graduated. Below you will find multiple sponsorship options and what each includes. The Tournament will be held on April 17, 2021 at Village Greens Golf Course.

Contribution	\$5,000	\$2,500	\$1,200	\$750	\$250	\$100

Additional Sponsorship Opportunities: Raffle Prizes, Door Prizes and Goodie Bag Items. Creative ideas welcome

Keegan Johnson was a normal 17-year-old junior in high school when he became sick with a sinus/viral infection. While sick and with his immune system compromised, he picked up 2 rare forms of bacteria that combined and attacked his brain in a way that tragically caused Keegan to suffer a stroke on February 2. He underwent two emergency brain surgeries that day to remove the bacteria and relieve the pressure on his brain but sadly, the brain damage was too extensive. God called Keegan home on Wednesday, February 5, 2020.

Keegan left a remarkable legacy during his 17 short years. While he was not perfect, he was an amazing friend who willingly listened to and encouraged those who were struggling. He gave amazing hugs and shared them often. His beautiful smile lit up every room he walked into. When he got his driver's license, he made a brave decision to become an organ donor. That decision made him a hero to at least 4 individuals who received his major organs and to numerous others through the donation of his bones and tissue.

Like most of us, Keegan liked to do things his way – a big part of which was helping others. His family started the Keegan Johnson Memorial Scholarship Fund to continue Keegan's legacy.
