

WASHINGTON
UNIFIED
SCHOOL
DISTRICT
WEST SACRAMENTO

Dear _____,

Congratulations on your graduation and your acceptance to Sacramento City College! You've worked hard to achieve this much, and we want to make sure you know that the community supports you as you move from high school to college. That's why we created this first-of-its-kind partnership with the Los Rios Community College District and Sacramento City College to guarantee your admittance and start your next journey on the right foot.

We are also pleased to inform you that along with the West Sacramento College Promise, which will pay for your tuition and fees, **you have also been selected to receive a \$200 scholarship that will help you pay for other costs like books, commuting, and other expenses associated with attending college.**

That's right, for the first time the graduating class of 2020 will also be able to receive this \$200 Home Run Scholarship, with the only requirement being that you are enrolled in the West Sacramento College Promise.

To receive your West Sacramento Home Run Scholarship, simply follow the same steps necessary to enroll in the West Sacramento College Promise and you will automatically be issued your scholarship after you enroll in the fall and confirm that you are attending classes. If you have any questions or need assistance with this step, please contact us at wshomerun@cityofwestsacramento.org or (916)-617-4500.

We are delighted to be able to offer the graduating class of 2020 this additional benefit and are excited about your future. We know that this can be a daunting time in any young adult's life, so we hope these measures make it a little easier for you to achieve your goals.

And to show your pride on continuing your education, we invite you to post a video or message on social media with your reaction to receiving this notification. Please use the hashtag #collegeboundwestsac.

Congratulations again – make us proud!

Sincerely,

Mayor Christopher Cabaldon
Mayor
City of West Sacramento
