

Media Statement

Willie Alexander, a part-time basketball coach for Clinton Christian Academy was arrested for sexual battery. This incident happened off campus. The safety of our students is of our utmost concern. We take all allegations such as this very seriously and are cooperating fully with authorities.

This is an ongoing investigation with the Clinton Police Department. Currently, no additional information has been made available to CCA .

The City of Clinton and or the Police Department will be your best contact for more details related to the charges.
