RE: CAMPUS COMMUNITY GUIDELINES

Effective Friday, September 11th, the following guidelines will be in place to lessen the spread of the COVID-19 virus and ensure the safety and protection of our campus community. All students remaining on campus must adhere to these additional guidelines set forth. Failure to comply will result in disciplinary actions and or/removal from on campus housing.

- To ensure we remain compliant with CDC guidelines, students should be practicing social distancing (> 6 ft.) therefore group games, gatherings or events are strictly prohibited.
- There will be NO congregating in parking lots or room to room. Students are prohibited to congregate in groups in any way. (parking lots, room to room, and Gibbs-Green Plaza)
- There is NO visitation in the residence hall, which includes off campus visitors and inter-hall visitation.
- **A curfew is in effect for entry back on to campus. Students should return to campus no later than 11:00 pm to gain entry. From 11 pm-5 am campus access is restricted and students should be in their room.**
- All students must have their **STUDENT ID** on them at all times.
- If you are a student who works during the hours of 11 pm-5 am you must contact your employer and provide campus safety with documentation. Campus safety will then provide you with a working pass that has to be displayed in your vehicle when you are entering campus.
