More than 240 join Steering Committee for Executive Council Run - Former NH State Rep. Mindi Messmer

PORTSMOUTH, NH – As of today, more than 240 in Executive Council District 3 have joined the steering committee for Former NH House Representative, Mindi Messmer’s campaign. This list includes Rick Becksted and Jim Splaine, recently elected Mayor and Assistant Mayor of Portsmouth and 3 City Councilors also recently elected in Portsmouth. Also included are the 2018 CD-1 Congressional Candidates, including Congressman Chris Pappas, who endorsed Messmer’s campaign in October 2019 (4 from District 3 and 4 outside District). Approximately 34 people are included on this list from outside District 3.

Pappas endorsed Mindi’s run in October with the following statement:

“After spending the better part of a year campaigning alongside Mindi, I got to know her commitment, work ethic, and passion to help the people of New Hampshire. As an environmental scientist, public servant, and small business owner, she will be a strong voice at the State House. I fully support Mindi to represent District 3 on the Executive Council,” said **Congressman Chris Pappas**.

“I am so fortunate to have met so many wonderful people during my campaign for Congress and so many more since. I look forward to December 4th, where we will talk about how we will work on my campaign but also how we will work to ensure that we elect Democrats from the top of the ticket to the bottom in Rockingham and Hillsborough County. We are forming coalitions across the state to combine resources and efforts. Along with a robust Democratic primary, it’s an exciting time in NH politics. I look forward to our December meeting to focus on a plan to flip this seat from red to blue,” said **Mindi Messmer**.

The event will be held on December 4th at the Rockingham County Democrats office located at 104 Epping Road in Exeter from 6 to 8 PM.
