Accept the Bible, in which has made Several references using Classical Conditioning towards, "Immoral Sexual Misconduct" including multiple and Incest connotations, Murder

It is all ready affirmed that the state of Iowa has, Removed several "Classic" books from Correctional Library's, such as, Lady Chatterly's Lover, The Marquise De Sade's Diary, the Diary of Annis Nin etc.

Thus they D.O.C., and the government of the State of Iowa, have no regard for Books Or Material that has Governmental Views and/or Sports and/or Fashion and/or Exercise an/or Information to Enrich ones Life, Such Publications as:

Automotive: Lowrider...Easy Rider...In the Wind....Hot Rod... American Chopper...Custom Trucks...Time Over Drive...Over the Road...Trailer...Rv...Motorhome...

Fashion; Fashion...Elle...Woman's Day.

Gossip: The Examiner...The National Enquirer...Star...People...

Travel: Minnesota,..San Francisco...Los Angeles...Texas.. Alaska,.. Trailer... RV... Motor Home...National Geographic (who have been known to show a Breast here and there occasionally)...

Then there are Art (Illustrated) related books: by David Roach...Genzoman...Davide

Ikari Studio...Grey's Anatomy (*an Artist Guide to the Human Form*)...Akinad...Milo Manaka...Doug Murray...William Moulton...Olivia...Alvarado...Frank Franzetta...Alphonse Mucha...Stan Lee...Jim Starlin, and the list goes on that demonstrate some form of Nudity, due to character costume design, that enhances the bodies form...

Whereas, this matter deals with female officers employed in a Male prison environment, *no body* is twisting their arm, to work in a prison, and if they cannot handle photograph matter featuring female nudity or men urinating, or having bowel movement or Psychologically acceptable form of masturbating (A normal sex Relates thing, that, women also do), if these female correctional officers can not handle seeing the occurrence of the afore mentioned actions, they should find employment elsewhere.

Thus, What is next Outlawing of Models wearing Fashion/Swimsuit/Lingerie?

Whereas, the action brought forth by the State of Iowa, and those employed as Litigators of Law are all violating the U.S. Constitution Articles and Amendments, via prejudice and hatred towards those confined. Or are we reverting back to the days of Catholic dominance, where only the Catholic Priests could Write and Read, and have Nude pictures on their Walls and Ceilings. If that is so, then why are Trans-gender people allowed to wear make-up?

Whereas: the Need to define the terms, and the Issues (not presented to the Public) are gravely necessitated to prohibit unjust confiscation and prolonged imprisonment, or erase HP 2492 and any other such law, forever from the Law books.

HP 2492 became law on July 1st 2018, however, the D.O.C. *did not distribute*, the memo until September 24th 1982, whereas the residents, only had one (1) week to view its contents (Attache Exhibit "B").

At the writing of this action, the Fort Dodge Correctional facility did not have a Law Library and/or a Electronic Law Library, whereas the contractor of this document work with what little he had.
