

Quinn DeRoy Nomination Essay

At the age of 10, Quinn saw the cost associated with returning to school each year and how it was difficult for some families to afford these supplies. With the support of his church, he started a bookbag and supply drive, collecting about 50 bags. Quinn decided to continue and grow his drive, reaching out to a local business as a donation location and involving a friend. Collecting 80 bags for New Hope Ministries. This year it grew again to another donation spot, more friends and an additional benefactor. They are on pace to collect over 100 bags to be given to New Hope Ministries and Panther Pack.
