Deputy Attorney General Jane Young  
New Hampshire Department of Justice  
33 Capitol Street  
Concord, NH 03301

Dear Deputy Attorney General Young:

In light of recent [reports](#) that the Republican Attorneys General Association encouraged supporters to attend the violent events at the Capitol on January 6, 2020, I request the following records in possession of the New Hampshire Department of Justice per RSA Chapter 91-A of New Hampshire's Right to Know Law:

Any communications between Attorney General Gordon MacDonald, his office, or representatives thereof and the Republican Attorneys General Association (RAGA), the Rule of Law Defense Fund, Alabama Attorney General Steve Marshall, or representatives. This request includes, but is not limited to emails to or from address ending with "@republicanags.com," "@alabamaag.gov," or "@stevemarshall.gop."

If any records are withheld or redacted, I request that you state the specific legal and factual grounds for withholding any documents or portions of documents. Please identify each document that falls with scope of this request but is withheld from release.

If requested documents are located in another installation or bureau, I request that you please refer this request or any relevant portion of this request to the appropriate installation or bureau.

To the extent that the respondent records are available in electronic format, I would prefer to receive the information via email or CD, particularly if providing the information reduces the time or expense involved. Otherwise, I will expect to receive the information in paper form.

I am willing to pay all reasonable costs incurred in locating and duplicating these materials. But please contact me prior to processing to approve any fees or charges incurred in excess of \$20.
