STATE OF KANSAS, COUNTY OF WYANDOTTE**

DATE: 11/27/15

FILE #: 2015 11 2285

Affiant, being first duly sworn on oath, says that he has reason to believe as follows:

The following crime or crimes are being or have been committed:

Aggravated Battery 21-5413 (b) (10) (B) – Domestic
Aggravated Assault 21-5412 (b) (1) – Domestic
Child Abuse

The person or persons alleged to have committed said crime:

Michael A. Jones (b/m, 01/11/71)
5201 N. 99 St. Kansas City, KS 66109
[REDACTED]

This affidavit and application is based on the following facts:

That on Wednesday, November 25, 2016 at about 1143 hours officer responded on an armed disturbance (domestic) at 5201 N. 99 St. Kansas City, Wyandotte County, KS. Upon arrival, they contacted the victim (Heather Jones, w/f, 02/04/86). Ms. Jones stated that she was arguing with her husband (Michael A. Jones, b/m, 01/11/71) because she told him that she was going to leave him. They were in their bedroom when Mr. Jones grabbed her by her neck and began strangling her. She broke away and ran to the living room (Ms. Jones was holding her [REDACTED] year old daughter, [REDACTED] at the time). Mr. Jones followed her and strangled her again. He picked her up by her throat and dropped her. She ran outside, towards a barn that was behind the residence. Mr. Jones followed her outside and fired two shots from a handgun. Although Ms. Jones did not see him when he fired the shots because she was running away from him, she believed that he was shooting at her and was in fear for her life. Law enforcement located at least 2 bullet holes in the barn.

Ms. Jones had numerous red marks on her neck that were consistent with being strangled. She also had cuts on her forehead and face and a swollen and bruised mark under her right eye. A check of Ms. Jones phone showed a text message conversation between her and Michael after he left the house with the kids. Jones texted Mike and threatened to call the police. In response, Michael sent the following text messages:

- Thanks, knew you were planning.
- Matter of fact, I'm right down the way.
- Sec you in a sec."
- Naa, it's gonna be over today!!!"
- Heather then texted, "be good to my kids Mike".
- He replied, "You'll see them for the last time in a sec."

CLERK DISTRICT COURT
WYANDOTTE COUNTY KANSAS

Officers located the suspect at the intersection of 99th and Hutton Road, while he was returning to the home (shortly after the initial domestic call to 911). His 6 children were in the car with him. 7 firearms were located in the vehicle and were recovered by law enforcement. He had \$3,000 cash on his person.

Det. Littlefield interviewed Michael Jones at the Det. Bureau immediately after his arrest. Prior to the interview, Det. Littlefield read him the Miranda warning. Mr. Jones stated that he and Heather has been arguing since the previous night. They slept separately that evening and as soon as Heather woke up, she "starts in on me again". She disrespected him and he tried to leave with two of his daughters from a previous marriage [REDACTED] and [REDACTED]. She followed him around the house, "running her mouth". Things got out of hand he pushed her away from him. She followed him into the living room and he spun around and she fell back into the corner. He was trying to leave and she got up in his face again. He stated that he did not "throw any punches", but admitted that he grabbed her around her neck and pushed her back and held onto and told her to leave him "the fuck alone". When he grabbed her neck, he pushed her back until she fell down on a stone seat. He also admitted that he fired a .40 cal. Glock model 27 two or three times outside to "let some steam off", but denied shooting at Heather. He left and she called him and he came back. When he arrived, the police were there and arrested him. A search warrant was executed at 5201 N. 99 St. on Thursday, November 26, 2015. A spent .40 cal. shell casing was located behind the house, next to a wooden privacy fence.

Additionally, Ms. Jones stated that she checked the internet search history on Mr. Jones' phone and discovered that he had searched "odorless, colorless poison" Det. Lancaster asked Mr. Jones about this during his interview and he stated that he saw a story about it on a crime show and he searched it because he was thinking about killing Ms. Jones. Heather stated that A.J. (DOB: x-x-2008) had come to live with her and Michael when he was 3 years old. Before then A.J. had lived with his biological mother. Heather told a story about A.J. being physically abused for days by a man who knew the biological mother. After A.J. came to live with Heather and Michael, he was diagnosed with post-traumatic stress disorder with severe emotional detachment. According to Heather, A.J. had been a patient or client of a number of mental health service providers in the Kansas City metro area. A.J. was violent to the young girls living in the house. Heather and Michael had several daughters. Starting in May 2015, Michael kept A.J. in a shower stall in the bathroom in the master bedroom. To keep him from escaping, he removed the door and replaced it with a piece of plywood. A curtain rod was jammed against it to keep it closed. Additionally, there was a closed-circuit surveillance camera in the shower and was monitored by a television in the master bedroom. (Recordings have been recovered by law enforcement corroborating this information). A.J. was not allowed to come out of the stall to eat or use the bathroom. He was kept naked most of the time. Michael would discipline A.J. by kicking him into a swimming pool (with no water) in the back yard. A.J. received a gash-like injury during one of these incidents in which Heather sewed up the gash herself using her medical kit. Michael would also kick A.J. in the stomach and punch him in the head. On the one occasion that Michael allowed her access to A.J. she observed him to have swollen extremities. Heather claimed to have military medical training, and she stated she believed the symptoms appeared consistent with internal bleeding.

Wherefore, the undersigned requests that a warrant be issued for the arrest of said Michael A. Jones (b/m, 01/11/71), as provided by law.
