Elise Stefanik  
Chair  
Republican Conference  
H-157, The Capitol  
Washington, DC 20515

House Republicans need to elect a Speaker as soon as possible in order to return to work on behalf of the American people. It is time to put politics and personalities aside and unite behind the next Republican Conference choice for Speaker.

I, Mike Flood, hereby pledge to support the Speaker Designate duly elected by the House Republican Conference—regardless of who that candidate is—when their election proceeds to the House Floor. Further, I pledge to vote for the Speaker Designate on the House Floor for as long as they remain the Speaker Designate.
