Mr. Sanders,

I hope this letter finds you well. I am writing you today to invite you to a debate between you and myself. I know that we have very different views of the political world and I feel it would be a great way for both you and I to get our contrasting messages out if we were to share a public debate stage together.

To show you that I am genuine in my request I will leave the time, date, and location up to you. My only request is that the debate be in the 1st Congressional District. I am sure we will be able to find a neutral third party to moderate the debate.

As the leading candidates in this race for both respective sides, I am sure that a public clash of ideas would be well attended and well covered.

You can reach me directly via email at Andy@andysanborn.com or feel free to call me on my cell phone

[REDACTED]

I do hope you are willing and able to accept my offer and I look forward to meeting you on the stage.

Sincerely,

Andy Sanborn
Candidate for Congress
