January 7, 2026

Dear Sandia High Community,

I am reaching out to inform you about an alleged threat that we were made aware of which resulted in an increased police presence on our campus this morning. Police are investigating, but I want to assure you that our staff and students are safe and that police have detained the individual who allegedly made the threat to harm our school.

At APS, we take all threats seriously, and it is important for you to know that any form of threat against our school, students, or staff is not tolerated.

It is crucial that you emphasize to your children the gravity of making any threats, whether verbally or through social media platforms. We treat all such incidents seriously and take immediate disciplinary action, which may also involve legal consequences, even if the threat is deemed not credible.

We all share the responsibility of ensuring the safety and well-being of our school community. I urge you to remind your children that if they see or hear something concerning, they should immediately report it to a teacher, counselor, administrator, or any trusted adult at school. Open communication is vital, and our school is here to provide resources, guidance, and support when needed.

If you have any questions or concerns, please do not hesitate to contact me at 505-294-1511. Your input and collaboration are greatly appreciated as we work together to maintain a safe and nurturing environment at Sandia High School.

Thank you for your continued support,

Camille Gonzales, Ed.S.  
Principal  
Sandia High School
