The Honorable Jefferson B. Sessions III
U.S. Department of Justice
950 Pennsylvania Avenue, N.W.
Washington, D.C. 20530-0001

Dear Attorney General Sessions:

As a Senior Senator, representing Chatham County in the great State of Georgia, I am calling on the U.S. Department of Justice to take over the investigation of the Jan. 23rd officer-involved shooting of Ricky Boyd.

The officer-involved shooting of Ricky Boyd has prompted not only local attention, but national attention as well. Therefore, I am asking that the case be transferred to the U.S. Department of Justice.

Transferring the investigation of the officer-involved shooting of Ricky Boyd to the U.S. Department of Justice will help avoid potential bias within the local District Attorney's office and will help restore the community's trust in this investigation.

Thank you for your prompt attention to this matter.

Sincerely,

Dr. Lester G. Jackson, III
Georgia State Senator, District 2
