

## Teacher Tips

If you're looking for ways to incorporate the KCRA 3 Kids Can Food Drive into your classroom curriculum, try this!

- ✓ Challenge your students to estimate the total retail value of the food collected.
- ✓ Challenge your students to calculate the total weight of the food collected.
- ✓ Challenge your students to estimate the total volume of selected food packages.
- ✓ Challenge your students to calculate the sales tax of selected food items.
- ✓ Use the food collection to stimulate a class discussion about weights and measures.
- ✓ Use the food collection to stimulate a class discussion about nutrition.
- ✓ Use the food collection to learn how to read nutrition labels.
- ✓ Use the food collection to stimulate a class discussion about homelessness or hunger.
- ✓ Use the food collection to stimulate a class discussion about product manufacturing, packaging, distribution, marketing, advertising or sales.
- ✓ Use the food collection to stimulate a class discussion about reducing, reusing, and recycling to protect and preserve our natural resources.
- ✓ Use the food collection to stimulate a class discussion about the importance of volunteerism and the value of community service.
- ✓ Ask students to write a KCRA 3 Kids Can Food Drive article for your school newsletter or website.
