

## WISN-TV12 INTERNSHIP APPLICATION

WISN-TV recognizes that a good internship program can add practical experience to the education a student gains in college. Therefore, the Station has established an Internship Program in which students may work one semester and earn academic credit. There are a variety of internship opportunities available year-round to currently enrolled college juniors and seniors. Interns will be closely supervised and critiqued to maximize the learning experience. Understand that this internship is UNPAID, and you are responsible for all personal travel and expenses. Please visit our website: [www.wisn.com/internships](http://www.wisn.com/internships) for more information.
